## Ḥikāyāt al

According to Atabek, although early Ḥanafīs narrated from him and quoted narrations from him, there is no proof that they considered him reliable or regarded his narrations as proof. We will show that while he rejects a quote from Abū Ḥanīfah primarily on the grounds that there is an unreliable informant in the chain, he quotes a narration of Abū Ḥanīfah to support his case that contains one, if not two, established liars in the chain! Edited by 'Adīl Aḥmad 'Abd al-Mawjūd and 'Alī Muḥammad Mu'awwaḍ. Kuwait: Wizārat al-Awqāf al-Kuwaytiyyah, 1994.
