Mihm

Jahrhunderts Although multilingualism has rightly been regarded as an important cause of linguistic change, historical linguists have hitherto paid insufficient attention to the important role played by the command of foreign languages among the urban upper classes since the Middle Ages. Hiersemann; they are now out of print.

Filme & Kataloge

. . We are an international, independent publisher headquartered in Berlin.

Katalog der farbigen Kunstblätter aus der Münchner 1896

In this context, not only the historical precursors of the European standard languages were examined, but also the independent regional languages of the Continental Germanic linguistic area.
