Modern vegetable gardening (1993 edition)

Gardening in the 1990s, as Bird explains, involves organic growing, raised beds, limited space use, and what the author calls intensive planting. So today we have started sowing. His video series guided me to start a garden from seed.

Vegetable gardening

Gary Pilarchik has been gardening for most of his life. Remember: learn from the experts, study your space and give your veggie garden some mid mod flair! It is a steady producer of red, golf-ball-sized radishes. Vegetable gardens come in all shapes and sizes.
