Termination

Contact Human Resources 215-898-7372 with questions concerning which termination reason should be entered. Cross References This section cited in 49 Pa. As an exception to the termination at will rule, at-will employers cannot terminate their employees for illegal reasons.

At Will Employment States

Despite a strong presumption in favor of the at-will standard, however, the Pennsylvania courts have stated that a handbook may create an employment contract when it contains a clear indication of the employer's intent to do so *Ruzicki v.* You are not entitled to overtime pay just because you work a holiday.

Employee Resignation & Termination

This type of claim is most often made by an employee who receives a job offer, resigns from a job, moves to a new city or state to commence employment, but is then either denied a job or is fired soon after commencing work.
