Lynn E. Davis

Socialism opposed communism resulting to conflicts between different groups. Soviet demands for the Curzon Line frontier and attacks against the London Polish government mounted.

Lynn Etheridge Davis. The Cold War Begins: Soviet

The consequences associated with communism, increased fear among the Americans, which led to the eruption of a conflict. In 1985, Davis became Director of Studies of the in.

Princeton Legacy Library: The Cold War Begins : Soviet

The Cold War Begins: Soviet-American Conflict Over East Europe. American officials were preoccupied with the need to avoid the mistakes of World War I, and they seized upon these principles as a means to promote postwar peace. State Department officials immediately suspected that the Soviets would press for British approval of the restoration of the 1941 Soviet frontier with Finland and the Baltic States.

De Gruyter

However, the Soviet should bear the highest responsibility because it contributed much to the rise of tension, and mistrust, which led to the rise of the Cold War 5. No one questioned the appropriateness of this analogy. Written under the auspices of the Institute of War and Peace Studies, Columbia University.
