New Testament Message Ser.: Interpreting the New Testament : A Practical Guide by Daniel J. Harrington (1979, Trade Paperback) for sale online

The Bible is primarily concerned with telling us these truths, which are without error.

Interpreting the New Testament: A Practical Guide

God himself made sure of that. It is a beginner's book, designed to make explicit some of the procedures now used by the commentators who have had formal exegetical training. This introduction to New Testament exegesis helps readers by explaining in a simple and brief way the basic literary methods used in studying the New Testament today: textual criticism, translations, words and motifs, source criticism, form criticism, historical criticism, redaction criticism, and parallels.

Among his other publications with The Liturgical Press are Paul and the Mystery of Israel and The Gospel According to Matthew Collegeville Bible Commentary: New Testament Series. Want to get more out of the basic search box? This is also really important for a true Catholic understanding of the Bible. A past president of the Catholic Biblical Association, he has written many books on the Old and New Testament, including the New Collegeville Bible Commentary on The Letter to the Hebrews Liturgical Press, 2006.
