Deborah Klein's Art Blog: Idyll

He bowed his head and begged forgiveness for being so blind to these people. With you have I begun; now I will turn me to another hymn. A few seconds later it came again—a firm nudge from below interrupting the soft, easy motion of my boat—and this time WAXWING stopped moving.

Deborah Klein's Art Blog: Idyll

There are four different rig options: the boomless standing lug, a balanced lug, a lug sloop, and most recently, a lug yawl. Which is why Stiles walks into the Brownstone one day and finds himself staring at a goddamn skrzak in a human glamour.

A Wandering Naturalist: Ontario: A Retrospective Idyll

The last two Serpent frigates blur into the warp, and the battle is lost. Unfortunately, the only way to identify most bluets with certainty is to study their genitalia with a hand lens something I'm not sure that I even want to do with people. Live and do what his blood father could not: Better himself.
