Other names such as 'good' or 'wise' are ordered primarily to God because they are said of creatures with reference to the cause, 114 We understand 'good' or 'wise' in creaturely terms and therefore distinguish the thing signified from the manner of signifying in order to predicate it accurately of God, with the qualification that we know its applicability but not the reason why. Adduntur documentorum causa, questiones et resolutiones. Presbyteri Cardinalis, Insurrectio Sacerdotum ac Poenitentium, in qua omnium absoluiissima Ca- suumj Conscientiie Summa continetur, et catholici muneris ratio expiatur.

Dall'escatologia alla protologia: un percorso insolito?

The traditional treatises thus gave the impression that the Trinity is a wholly speculative doctrine, i. Thomae Nocettae a Rapallo Regentis, tuetur cursor Fr.
