## Introduction

At last the lot was cast between 100 camels and 'Abdullah. Likewise, as we have seen the customs established by 'Abdul-Muttalib were adopted in Islam.

## Introduction

He is verily the All-Forgiver and Hearer of prayers. Why do we feel like this? Could Allah glorify 'Abdul-Muttalib if he were a pagan? The One who grants advancement.

## Beautiful Names of Allah: al

Sometimes our chests feel tight and our imaan feels low.

## Faith of the Ancestors of the Holy Prophet

Some of these editions do not meet with the multi-aspect modern standards inspite of the typographical technical improvements they made.

## Faith of the Ancestors of the Holy Prophet

In all these events and narrations, he is always seen praying to Allah, and there is no hint from any quarter that he ever prayed to the idols of Quraish to Hubal, Lat or 'Uzza. When this aim is achieved, the points of discrepancy between Muslim sects will automatically diminish and the sources of the genuine heritage of Islam will shine forth.

## Introduction

It is not fair to ignore those lots just for one lot. Noticeably, the aforementioned editions of this book, despite their diversity, do not satisfy its utmost purpose.

### **And the Answer is . . . Al**

Various traditions put the age of 'Abdullah at the time of his marriage at 17, 24 or 27 years. So that we know our mistakes! While returning, he fell ill and stayed at Yathrib Medina. Similarly, the release of non-Arabic versions of the book stems from the surrounding circumstances and the scope of the need for it.

### **Beautiful Names of Allah: al**

Why does Allah grant us our mind? It is the accepted belief of the Shi'a Ithna-Asheris, the Hanafis, and the Shafi'is that the ancestors of the Holy Prophet from 'Abdullah to Qidar ibn Isma'il, and from there right up to Adam, were true believers. There can only be one explanation: He was informed by Allah. Guide our hearts and grant us strong faith to believe that after hardship comes ease.
