## History of Britain to 1750

Wright was born on 30 March 1948 in Roxboro, North Carolina.

## Guide to the Robert Peter Tristram Coffin Collection, 1842

How excellently he managed their cause, and what a mean the made for himself, would be too tedious and impertinent to insert here, concerning none but the of Westminster.

## Mary Raymond Shipman Andrews Papers An inventory of her papers at Syracuse University

And yet this gentleman afterward, as Heylyn saith, made it his earnest suit to be Dean of Canterbury; which being denied him by the King, in a great discontent he returned to the parliament, etc.

## Macbeth and Malory in the 1625 Edition of Peter Heylyn's Microcosmus: A Nearly Unfortunate Tale

Yet hath been pleased in all ages to stir up some men of spirits, as Sixtus Senensis the monk confesseth, that may read the holy to their own edification and, and not be kept hoodwinked in and heathenish ignorance. What is available in our Reading Rooms? Yet all this while we and, and fold our in sloth, and see, perhaps, but not note it. An avid reader as a boy, Wright developed a strong interest in the American Civil War and with his father toured many of the war's battlefields searching for artifacts and studying the history of the era.

## Peter Heylyn's Poetry Notebook on JSTOR

Joyner Library, East Carolina University, Greenville, North Carolina, USA Repository ECU Manuscript Collection Access No restrictions Papers of Peter Hillsman Taylor 1908-1995, undated documenting the life and literary career of the noted American short story writer, novelist, biographer, and playwright, who specialized in subjects related to the Upper South, including manuscript materials and correspondence, especially his World War II letters to his wife, Eleanor Ross Taylor; proofs of published materials; loose manuscripts from the Stuart Wright Book Collection; and oversized materials, by or about Peter Hillsman Taylor, Madison Smartt Bell, Robert Penn Warren, Eudora Welty, and others, in English and French language. As a graduate student at Wake Forest University, Wright focused his studies on Southern history and literature, his

ambition being to build an authoritative Southern Studies collection for the university.
