**Poetry Paintbox (May 13, 1993 edition)**

.

**Poetry Paintbox (May 12, 1994 edition)**

From our moon to a nebula beyond the Milky Way people have wondered, studied and wrote about the possibilities that outer space holds.

**Poetry Paintbox (May 13, 1993 edition)**

We have dispatched from our book depository; items of good condition to over ten million satisfied customers worldwide. Format: Paperback  
Language: english ISBN: 9780199166831.

**Poetry Paintbox (September 19, 1996 edition)**

Below we have gathered some amazing poems about space. Throw on your space gear and ready the rocket.

**Paintbox Poem by Malcolm Wheatman**

As always we will continue to add more space poems. Minimal damage to the book cover eg.

**Poetry Paintbox: Castle Poems 9780199165988**

Poetry brings to life with words all the possibilities the mind is capable of, an amazing gift to share with children. Support: Provide science text books and dictionaries for children to undertake their own research. Alone not for very long.
