In 994, the Khitans produced their own calendar.

## Liao dynasty

Although cultural achievements associated with the Liao dynasty are considerable, and a number of various statuary and other artifacts exist in museums and other collections, major questions remain over the exact nature and extent of the influence of the Liao Khitan culture upon subsequent developments, such as the musical and theatrical arts. Among the ruling Yelü clan, the average age that boys married was sixteen, while the average age that girls married was between sixteen and twenty-two. Nielugu was killed by a stray arrow, Hudu fled and drowned himself, and Zhongyuan also fled and committed suicide.
