After The Flood: the early Post

Imagined histories of land and sea were critical to early modern European accounts of the historical unity and contemporary divisions of the human race. *Earth and Planetary Science Letters*.

Ancient Days :: A Universal Flood: 3000 BC :: by David Livingston

Telling this to Bourguet, however, was a test.

After the Flood: Imagining the Global Environment in Early Modern Europe 1421429519, 9781421429519

At the height of the Catholic Reformation known also as the CounterReformation and following bouts of plague and severe flooding in northern Italy, an apothecary named Camilla Erculiani was called before the Paduan Inquisition in response to her published comments on the global environmental destruction of which, she alleged, mankind was all too capable.

AFTER THE FLOOD

To form a ripple this big, a massive flow of water needs to happen in a brief amount of time. Also wonderful chronology of Ancient British history, akin to Geoffrey of Monmouth's chronology. Scheuchzer only knew of this Italian fossil because he personally knew a naturalist in Italy, who also happened to be famous.
