Linda J. Bilmes, and W. Scott Gould, eds. (2009). The People Factor: Strengthening America by Investing in Public Service

Forged from a partnership between a university press and a library, Project MUSE is a trusted part of the academic and scholarly community it serves. .

Linda J. Bilmes, and W. Scott Gould, eds. (2009). The People Factor: Strengthening America by Investing in Public Service

The economic crisis gripping the United States will make it easy to set aside the public service issue, or to say that the country simply cannot afford it. The inevitable result is a government not keeping up with the complex demands placed on it. Kennedy School of Government at Harvard University.

Linda J. Bilmes, and W. Scott Gould, eds. (2009). The People Factor: Strengthening America by Investing in Public Service

We are very far from that standard and badly need a new reform movement, which Bilmes and Gould's fine-tuning cannot supply.

Linda J. Bilmes, and W. Scott Gould, eds. (2009). The People Factor: Strengthening America by Investing in Public Service

For the most part, Americans take all this public service for granted.

Project MUSE

Organizations that adopt this strategy tailor their management systems—the way they recruit, train, evaluate, compensate, reward, lead, and promote employees—to the individual worker and the specific type of job.
