## Celebrate Design With Covet International Awards

Charles and Ray designed the 5,300-square-foot space for the inaugural installation in 1950, followed by Finn Juhl, Paul Rudolph, and Alexander Girard. You can visit our detailed . . .XYZ. Inspired by herds of buffalo with their backs to the wind, the design introduced a warm, lively and subtly poetic presence to the frigid landscape.

## Industrial design

Touguet believes in taking projects from the design stage through to prototyping and creation. For the past several years, Touguet has worked in collaboration with another designer on this list, Philippe Starck.

## Seven IKEA products win 2019 Red Dot Awards

This is moulded and a layer of beeswax keeps the bottles waterproof before all the soap has been used.

## Celebrate Design With Covet International Awards

She views her work as an ongoing narrative, to which each project is linked through either ideas, materials, or aesthetics.

## Seven IKEA products win 2019 Red Dot Awards

Depending on the speed of your internet connection and the size of your files, your uploads may or may not complete successfully. Award-winning Renfrew Group International is a thoughtful organisation skilled in converting ideas into useful and desirable products.
