China Train Ticket Booking

A: It was around 1860 when the railway time table was introduced in India. Details of planned engineering or rail improvement work that may affect your journey or service frequency, can be found at. The motive of railway time table is to synchronize the running of trains across India based on their route and halt stations.

All train timetables

Following changes to the latest government advice and additional travel restrictions, we are currently running an amended timetable. High-speed D train tickets and G train tickets can be booked a minimum of 35 minutes before departure and a maximum of 60 days before departure.
