## A needs analysis approach to ESP syllabus design in Greek tertiary education: A descriptive account of students' needs

On all sides, in the very few days I have spent in your country, my family and I have noticed many evidences of this interest, particularly in the English lan- guage and the literatures which have been written in that language. As an example, 4 may have in a dialogue or reading lesson tence: May I have a little more sugar, please? The course focuses on the development, diversity, and interaction of art and cultural traditions and emphasizes comparisons of western and non-western visual expression as a reflection of differing cultural perspectives. ELT Multimedia and Independent Learning module again this semester and I hope also to deliver a version of my IATEFL talk at the ELTC I do it free of charge in exchange for the opportunity to work on my workshop delivery skills!
