Tanzania: Kikwete pledges to improve prison conditions. Nongoloza and Kilikijan subsequently find themselves in Prison where they find it expedient to form a third faction of the Gang involved in smuggling and making money in prison for both their factions which became known as the 26s.

Angola Three

While the rules do not bind African states, they provide useful guidance in developing transparent and consistent prison policy. Complex cultural negotiations took place in encounters between different parts of the world, and rather than assigning a passive role to Latin America, Asia, and Africa, the authors of this book point out the acts of resistance or appropriation that altered the social practices associated with confinement. Captivity and incarceration in Nineteenth-Century West Africa.
