Superannuation Benefits, 5-day working week. If we look at the figures of the exports to India and to China, we shall find that we have an increase

in those two countries of just over 2,000,000,000 yards in the last year as compared with the quantity which we sent out in 1913. Among the former so-called workers' representatives, that is, those people who are forgiven their being members of the working-class because they themselves would like to draw their quality of being workers in the ocean of their liberalism, Henry Broadhurst, the most important representative of the old unionism, was completely snowed under because he came out against the eight-hour day.
