Detailed outlines of concepts, performance objectives, materials, vocabulary lists, procedures, assessment measures, resources, and related instruction are provided for each lesson. Please feel free to check out my other guides and let me know if I can be of any help! It is a flexible guide, not a rigid one. Students will explore historical interpretations of an artwork, suggesting what the visual content of that artwork may have meant to the people of the time in which the work was created.

Elementary / K

The following person has been designated to handle inquiries regarding the non-discrimination policies: Mr. But seriously, this was great. Perhaps you teach a month-long intensive course as well as half-day workshops.

Students will also explore the use of visual symbols within artworks while expanding their artistic vocabulary. You can download the Curriculum Matrix in its entirety here. Here is the template I came up with.

FTCE K

First grade artists will focus on Asian and American artists and their works.

FTCE K

I added salt to the wet paint to create... Day 1: Look at birch tree photos, and tape off our paper! I love how your ideas build and plan to purchase several of your packets. I have small class sizes and I see my kids twice per week.

Feel free to print out and use as you are developing your own curriculum. There are some restrictions for free accounts: You can live chat for up to 40 minutes with 3 or more people. Have you taught an online course before? Basic color theory will be emphasized in order to help students achieve desired color effects.
