

Best books for high school readers - grades 9-12

Libraries Unlimited - Best books for high school readers; grades 9

Description: This thematic work is a state-of-the-art reading guide and selection tool for fiction and nonfiction teen reading material, enabling you to thoroughly evaluate your literature collection and create theme-based and genre-oriented reading lists for curriculum-related and recreational reading. Entries cover more than 12,000 titles in print as of the end of October 2008, most of which have been recommended in at least two sources. Entries include annotations with succinct plot summaries, ISBNs, book length, price, reading level, and review citations.
