But these women's stories cannot be told without also recalling how their decisions drew them ever more firmly into the orbits of the worldly and influential men who exercised power in their lives. The slave woman struggled to avoid an unwanted husband and the woman of privilege assumed a patriarch's role to endow a family of her former slaves with the means for a free life.

I think the topic really had potential even as a historiographical account but Graham just made it extremely dry and didn't speculate as critically or as innovatively as I would have liked.
