The Alehouse Wars by Michael Evan

. Very Good: A book that does not look new and has been read but is in excellent condition.

jusjojan, socs, #cyw tales from the alehouse: the childyears

.

§15. The Scene in the Ale

The greatest wars we remember were fought with sticks and stones, with swords and shields, with guns and bombs. It is difficult to put into words how weird and yet played utterly straight this novel is.

jusjojan, socs, #cyw tales from the alehouse: the childyears

Nothing better than a war over beer.

The Alehouse Wars by Michael Evan

While highly interesting and terrifically tragic, it has nothing to do with anything. In summary, it is funny, sarcastic, rude, naughty in language, and fun.

The Alehouse Wars by Michael Evan

One that is bound to make you not only chuckle but also burst out laughing. Lighthearted and action packed, this novella is loosely based on the Maccabean War against the Greeks with an absolutely unexpected ending. The best parts of this novella are undoubtedly the characters, the dialogue, and the action scenes.
