About Us

Together these four women represent four different spiritual traditions and four different states of breast cancer. For her 49th birthday, Linda received the true gift of life—a friend bought her a mammogram.

Bosom Buddies

Sonya is currently writing a memoir with a focus on her approach to parenting.

Bosom Buddies

Porter has surveyed breast cancer survivors for their pithy advice to others facing the same crisis. As we are a group from around the world, there is usually someone around here! Other tests, such as ultrasound and MRI, are used to get a clearer picture of a breast lump or problem.
