State Science & Technology Fair of Iowa

To enhance the distribution of awards, Division I is for first-year physics students and Division II is for second-year physics students.

OCSEF

When you click the link to access the Digital Poster, You MUST download a copy on your computer BEFORE you enter your information. Beginning in January 2018, more than 9,000 high school students and 4,500 middle school students will compete in 65 high school and 50 middle school regional Science Bowl tournaments.

Science Fair

Wow your kids with this fizzy, fun experiment, and then let them drink the sweet reward! I have developed a Science Fair Guide that can serve as an organizer and walk you through the process. These are available outside of the STEM Lab.

State Science & Technology Fair of Iowa

Each year, thousands and thousands of students challenge themselves in science, technology, engineering, and mathematics STEM academic competitions.
