The Tragic Death Of Basquiat

Both the Museum of Modern Art and the Whitney Museum of American Art rejected submissions of his work.

Biography of Jean

The three panel work is full of repetition and visual punctuations. It is also a visual reference to jazz, an African-American musical form that reached new heights of popularity in the 1950s, and an implicit acknowledgement of the repression of Black people that existed despite the music's success and incorporation into American identity. He produced a rap record with and K Robb titled Beat Bop 1983 and designed the cover for the single.

9 Intriguing Facts About Jean

By 1981, at the age of twenty, he had turned from spraying graffiti on the walls of buildings in Lower Manhattan to selling paintings in SoHo galleries, rapidly becoming one of the most accomplished artists of his generation. His father threw him out of the house when he dropped out of school at the age of seventeen.
