Not that I am a 'democrat' in any of its current uses; except that I suppose, to speak in literary terms, we are all equal before the Great Author, qui deposuit potentes de sede et exaltavit humiles. At the beginning of the novel, Gordon has persuaded himself that he is somehow more independent if he clerks in a rather abysmal lending library than if he writes advertising copy. Needless to say, he finds everything changed, and for the worse.

He sought poverty out in the hope that contact with it would, as he explains in *The Road to Wigan Pier* 1937 , purge him of his sense of guilt. The picture which Mr Orwell paints is appalling; but from my own experience, I have not the least doubt that it is true. The 1991 paperback corrected a few slight errors in the 1989 hardback, and has been used.
