I am married to an accountant, and although I could not tell you what he does on a day-to-day basis I am under no illusion that he is a professional and his role is essential within his own company and for the businesses he works with. We need to find a way to break out of the blinkered view that librarians sit behind a desk issuing books and saying shhh! Find out if you have employed a qualified librarian or not.

### Librarians and Educators Collaborating for Success: The International ...

In Australia, the influential document Learning for the future ASLA 2003 focuses on three particular roles of the teacher librarian: curriculum leader, information specialist and information services manager.
