Technical Assistance

The grantees estimate that this investment will help create 300 jobs. . As an official component of U.

Funding Opportunities

Center for Economic and Policy Research.

Technical Assistance

The SC2 Initiative was developed through engagement with mayors, Members of Congress, foundations, nonprofits and other community partners who are committed to addressing the challenges facing local governments as they work to create economic opportunity for all residents. Therefore, USAID technical-office staff might set aside a budget and, with the help of the mission's contracting office, publish a solicitation for applications from NGOs for financial assistance to their programs. Any community representative can apply.

Latest EDA Grants

On September 22, 2010, President signed a PPD on Global Development. The grantees estimate that this investment will help create 40 jobs and save 79 jobs. Once implemented, the project will alleviate sudden and severe economic dislocation caused by the coronavirus COVID-19 pandemic, provide permanent resources to support economic resiliency, further the long-term economic adjustment objective, create and retain jobs, and attract private investments, which will strengthen and advance the regional economy.

Smart Growth and Equitable Development

The operatives posed as traveling aid workers and tourists. In the same year, the U.

The administration of technical assistance; growth in the Americas. (Book, 1955) [tools.github.ffxiv.cn]

However, most countries do not adhere to this target, as the OECD's table indicates that the DAC average ODA in 2011 was 0. An overall goal of the new administration was to administer the government efficiently and cut spending. Current Closing Date for Applications: There are no application deadlines and the agency will accept proposals on a rolling basis until the publication of a new Disaster Supplemental NOFO, cancellation of this NOFO, or all funds are obligated.

Technical Assistance

Once implemented, the strategy is expected to create a more resilient Louisiana through adopting a systemic approach that promotes access to equitable opportunities and resources across the state. UNEP invites universities, research centres, think tanks, business associations, National Cleaner Production Centers, NGOs and other civil society organizations to submit their proposals to provide technical assistance for the GO4SDGs SME assessment workstream in Latin America and the Caribbean.
