## What is an internal audit strategy document and how valuable is it?

To make use of the new funding that has been announced, the NHS must now find the additional staff to spend it on; the depth of the existing workforce shortages means this challenge must not be underestimated.

## Current Trends in Internal Audit

The network offers both added value to organizations and personal development to staff. The internal audit function can be provided by an in-house team or through an outsourced provision, which is either a professional accountancy firm or an NHS consortium.

## Current Trends in Internal Audit

Perhaps our short term solutions need to be less reactionary and more proactive in building towards the future we need. Internal Audit of Controls over Financial Transactions and GX Financial Reporting System—November 2009 28. In 2008, the Professional Practices Group PPG indicated that the grid would be prepared by June 2010 and would be maintained.
