Cooper and Terrill also deserve commendations for directly confronting stereotypes and labels commonly used to demean southern blacks, poor whites, the people of the Appalachian Mountains, and southerners in general. Rosenberg reads each one deeply and with appreciation. The letters treat such diverse matters as the actions of the conseils superieurs of Port au Prince and Cap Français, disposition of soldiers, appointment of officers, treatment of slaves and smugglers, imposition and collection of taxes, and establishment of fishing and trade agreements with other countries and colonies.

New

Earlier immigrants landed at New Orleans and then traveled by steamboats upriver to Ohio.

**Illinois Military Records • FamilySearch**

The new dimension is that the migrants -- not economic conditions, sociological and political factors and white manipulation of blacks through the use of labor agencies and recruiters -- were responsible for the decision to move from the South to other parts of the country. She discusses the decline and popularity of unions, but fails to point to national reasons for those changes. Gainer concentrates on the war at home and the breakdown of law and order.

### **Genealogical Research in Ohio**

They also discuss the Redeemers and the New South Creed. A knowledge of this campaign is crucial to an understanding of the war itself: a border area where the first family separations took place; the often painful choosing of sides; initial, often inept efforts at raising troops and the establishing of defenses and strategic objectives.
