Thus preventing you from missing a question or 2 from having a partial understanding of the passage.

MCAT WORKBOOK

Answer questions how you want to -- use our shortcuts and methods to get points quickly and confidently, even if those methods aren't exactly what the test makers had in mind when they wrote the test. Start to do this to find what it actually is causing you to miss those 1-2? I miss around 1 or 2 questions mostly per passage but then I have some where I missed like 3 or 4. This list will give you more practice problems than you will ever need.
