The religious research should be based on cases of discrimination and an explanation of normal attitude to religion at a workplace. Before and even after the incident of September 11th, more and more disappointment, frustration and curiosity towards Islam and Muslims have aroused amongst Americans.

### What is the Academic Study of Religion?

To understand their actions, we must also understand their motivations. From this perspective, it would be a mistake to think that conceptual imprecision is in itself an obstacle to scholarly inquiry. We must also point out that, to the Africans, the material has meaning only in terms of the spiritual.
