Rani Manicka (Author of The Rice Mother)

The positive assessment of local British officials was not enough to overcome the British belief in Calcutta that Lakshmi Bai was responsible for the mutiny and the massacre.

Ranjith Manickam (ranmanic)

Her subsequent efforts to defend Jhansi confirmed their beliefs.

Rani Manicka (Author of The Rice Mother)

This biometric-based driving license monitoring system is very easy and convenient to monitor.

Rani Manicka

The Publisher's Weekly says of this work, in a review: Bestseller Manicka The Rice Mother spins an epic tale of love, loss, and cosmic destiny in her gripping and eloquent third novel, set against the lush backdrop of Malaya throughout the political and cultural turmoil of the 20th century. In the almost 150 years since she belatedly committed herself to the revolt known as the , Lakshmi Bai, the rani Hindu queen of Jhansi, has been the only leader to be described in positive terms by her adversaries. She took with her and was appalled at the state the planet was in, but was delighted that became a success, the only one of her experiments to work correctly.

Who is Manikarnika? The Real Story of the Legendary Hindu Queen Lakshmi Bai

The British already exercised the right to recognize the monarchical succession in Indian states that were dependent upon them. Two human and two alien prisoners were to be test subjects for the Rani's experiments in an attempt at solving the crisis.
