**La Banda Sindona. Storia di un ricatto: Democrazia Cristiana, Vaticano, Bankitalia, P2, Mafia, Servizi segreti** by Massimo Teodori

However, Gambino remained free because the US did not agree with Italian requests for.

### John Gambino

The Mafia allegedly wanted to prevent Calvi from revealing that Banco Ambrosiano was used for money laundering.

### Stefano Bontade

Manhattan, Murder in the Vatican, p. Again, the pope and his associates made contact with the authorities and received confirmation that Cardinal Baggio, indeed, was a Mason in good standing. One document showed that the I.

## MOB RULE: 'Masonic Cabal', The Unholy Alliance Between The Vatican, CIA, & the Mafia (Part 1)

Rumors had been rampant about Archbishop Marcinkus's taste for young girls and for sex parties within his private apartments.

### The Golpe Borghese, and P

There are Savoy Hotels located in London, Moscow, Kansas City, and Tel Aviv. His testimony finally induced the Gambinos to plead guilty to drug trafficking in an arrangement with prosecution. The most important members of the Inzerillo, Spatola and Gambino clans were arrested in March 1980 for heroin trafficking, which undermined Bontade's position significantly.
