## Grief Reactions of Potential Organ Donors' Bereaved Relatives: An Observational Study

### Federico García Lorca

His texts seem to be the longest, the tidiest and metrically the most consistent, but are they hyper-correct by contrast with other sources? Tanto, que no querría crecer nunca. Es más, los estudiosos de su obra poética le han negado la autoría de unas obras musicales en el Cancionero Musical de Palacio atribuyéndoselas a otro músico de nombre similar.

Despite his new focus on theatre, Lorca continued to write. Jerónimo Román afirmaba que demasiada música y demasiado amor habían vuelto loco a Garci Sánchez de Badajoz.

### Federico García Lorca

In addition, at least four poems were lengthened in 14CG and each of these exists in LB1 in its longer version. These themes, like those in other tales, offer a very large message for his readers but perhaps it is this timelessness of theme combined with history and cultures that make his works so enduring today.
