Working For Us

This programme is ideal for graduate students and young professionals. Support for your career At PKU, the department, alongside the Student Career Centre, International Student Division and the Alumni Association organise a job fair for our students.

Moving to Southampton

In fact, in 2016 it scored fourth in the country for economic well being — ahead of Bristol, Manchester and even London. The PKU library has considerable English collections on all the subjects of humanities and social sciences.

International student life in the United Kingdom (UK): What to expect

I went to college in America and played professional basketball.
