Her work ethic was remarkable and her training diligence inspiring. Paperback romances, rich recording companies, and glamorous eating disorders.

**Dance to the Piper (The O'Hurleys, #2) by Nora Roberts**

They are just wonderful, wonderful people. She was his tool, his canvas.

**Dance to the Piper: The O'Hurleys by Nora Roberts**

She is an excellent writer! His success would depend on her ability as much as hers did on his.

**Dance to the Piper by Agnes De Mille**

Reed won't talk about his mother, won't see her. Reed now runs his family recording company and Broadway musicals are not his usual investment but he knows that Maddy is a safe bet.

**Dance to the Piper**

Her theatrical family hoped to discourage her of any ambitions toward a career in theater, so they refused her impassioned pleas to have dancing lessons. She also edited the unexpurgated Diary of Vaslav Nijinsky. Book 2 of The O'Hurleys.
