## **Book Review: Campbell, The English Yeoman**

Then came the disastrous defeat at in 1314. . This lasted until 1660 and the restoration of the monarchy and Charles II.

## **The English Yeoman Under Elizabeth and the Early Stuarts by Mildred Campbell**

This was an early version of the Union Jack in the years 1603 to 1606 just after James I became King of both England and Scotland. The metal came from the roofs and bells stripped from deconsecrated Catholic churches and monasteries. He thus signed an alliance with England and began to cut ties to his Scottish ancestry.

## **Vol. 4, No. 1, May, 1944 of The Journal of Economic History on JSTOR**

It was not until the middle of the century that the rural economy fully recovered and entered a period of sustained growth.

## **Vol. 4, No. 1, May, 1944 of The Journal of Economic History on JSTOR**

However, her Privy Council was no longer composed of her most trusted advisors.
