ספרי

Sephardi and Mizrahi Jews, hailing from the Arab and Muslim worlds, vote for the political right by a landslide. The undoing of Begin's power came nearly a year later, however. Senate and House of Representatives and the chief justice of the Supreme Court.

### Menachem Begin

A PEW center poll found that only 38% of American Jews believe that the Israeli government is sincerely pursuing peace; 44% believe that the construction of new settlements damages Israel's national security. Shas is a party representing a unique combination of two key elements in Israel society -- the religious and the Sephardi.

### Dan Caspi

To help Netanyahu politically, both because they like him and perhaps in the expectation, too, that some of his well-heeled American supporters—Sheldon Adelson being the main case in point—will pour even more money than usual into Republican campaign coffers as 2016 approaches?. The cause of his life was Zionism, the movement that strove to create a Jewish homeland in Palestine, a land in the that was held holy by Jews, Christians, and Muslims alike.

### How Bad are US

Its neighbors feel free to call for the destruction of Israel without concern for political repercussions or even moral censure. These are activists who, in their frustration at an interminable five-decade occupation, no longer believe the Israeli political system, with its indecisiveness and endless obedience to tribal compromises, is capable of bringing the injustice to an end. The Israeli government initiated the construction of a following scores of suicide bombings and terrorist attacks in July 2003.

### Everybody complains about Israel's electoral system. But it works

Would threaten existence of Israel as a Jewish state.

**Dan Caspi**

It won 39 seats in the 1973 elections and then became the largest party in the Knesset by winning 43 seats in the May 1977 elections, to 32 seats for the Israel Labor Party—United Workers Mapam alignment. Netanyahu immediately took a tough stance on the occupied territories, increasing the construction of Jewish settlements and enraging the Palestinians and the international community. The US is the major export market for Israel's polished diamonds, although its export share dropped from 67% in 2004 to 61% in 2005, with exports to Europe and Asia increasing.
