He meets Goriki and realizes that he was spying on him to witness the infamous terrorist's son. Confused as to what was going on, Anna explains to him that they need his knowledge towards lascivious acts that Blue Snow is planning to do as they admitted that they at times can't tell what's dirty or wrong until someone points it out.

Baka

Ayame secretly acts outside of school as the perverted terrorist Blue Snow also known as Blue Tundra, wearing panties over her face, spreading pornographic leaflets, and shouting dirty jokes in defiance of the Japanese moral authorities. Tanukichi was full of delight when he got accepted in the academy but as he is taking the train on his first day of school, he noticed a gorilla-looking man giving him a scary look. She openly admitted to trying to scam her way into getting money from that man but out of anger she told authorities the same lie to get him in trouble.

Ayumi Shimosono

He finds himself constantly torn between keeping Ayame's alter-ego as a lewd terrorist a secret to the authorities as Ayame warned him that if he exposes her, Anna will get attacked the most by society as she is the Student Council President and unknowingly best friends with Blue Snow.
