Fresh Water and International Economic Law

Water Concession and Protection of Foreign Investments Under International Law, Serge Pannatier and Olivier Ducrey 13.

International Law and Freshwater: The Multiple Challenges (New Horizons in Environmental and Energy Law): Laurence Boisson De Chazournes, Christina Leb, Mara Tignino, Laurence Boisson De Chazournes, Christina Leb, Mara Tignino: 9781781005088: tools.github.ffxiv.cn: Books

An important read for scholars, policy-makers, and concerned citizens. International Investment Rules and Water: Learning from the NAFTA Experience, Nathalie Bernasconi-Osterwalder and Edith Brown Weiss 12. Therefore, I have no hesitation in recommending the course to any person whatsoever.

Fresh Water and International Economic Law

The chapters, written by distinguished experts from academia and practice, systematically address issues of economics, environment, sovereignty over resources, energy, conflict resolution, and in addition offer some in depth case studies.

International economic law

Economization of the Law Applicable to Fresh Water 4. International agreements have to be negotiated and implemented in order to address the problems related to the access, equitable use, shared management and protection of freshwater resources.
