The Story Behind The Gallipoli Memorial

Official History New Zealand's Effort in the Great War. Two divisions were concentrated at at the north end of the Gallipoli peninsula, to protect supply and communication lines to the defences further down the peninsula. Roy Jenkins, Churchill: A Biography New York: Farrar, Strauss, and Giroux, 2001 , p.

The Story Behind The Gallipoli Memorial

The troops for the assault were loaded on transports in the order they were to disembark, causing a long delay which meant that many troops, including the French at , were forced to detour to Alexandria to embark on the ships that would take them into battle.

Gallipoli Campaign

The short answer is that it is the study of historical writing.

Damn The Dardanelles the Agony of Gallipoli by Laffin

TRAVERS — Gallipoli, 1915 TYQUIN - Gallipoli.
