In the initial years of the region's territory, French settlers faced many difficulties that made starting settlements nearly impossible. In February 1997, the DocuSystems Group, which printed airline tickets and luggage tags at its facility, was sold to , a Chicago-based private equity firm.

Atlas of France

Architecturally, little is left from the Celtic, Anglo-Saxon and Roman periods, although Roman town planning, roads, and walls are still evident and Anglo-Saxon churches and Celtic monuments are still standing. The eighteenth century is notable for the emergence of new literary forms such as the novel, the true crime tale, light opera, magazines, and new oral traditions associated with England's port districts.
