### Bob

These little Easter Eggs are quite fun for the loyal Leonard readers.

### Maximum Bob by Elmore Leonard

Gibbs has had enough of his wife, who is possessed by a black girl killed a hundred years before, and decides to get her to leave by playing on her fear of alligators. People say that education is lagging in this country.

### Maximum Bob (TV Series 1998)

The storylines served mainly to introduce the cast of eccentric characters, and were set in the fictional town of Deepwater. He's a scummy character who comes alive on the page. This book never completely fell apart, but it was definitely unraveling around the edges.

### Maximum Bob

The pace, style, and characters of most of his books are similar: there are unsavory people doing unsavory things, often double-crossing each other as the quick pace of the plot builds to a crescendo. Pretty disappointed in the broad character sketches and total lack of substance to the overall story.
