Find out more in our. Hi Cam, Here I go, adding to the confusion again so what else is new?. VBR, Ira The French guides were updated regularly during the war, and the British had their own too that looked not dissimilar to the later WW2 RAF guides, the French ones are more cartoony.

Silhouettes of Aeroplanes

Of course then there were also updates that were either inserted at the publishers prior to distribution or issued separately and pasted in by the people they were issued to. I have a copy of wartime French publication, Silhouettes D'Avions, Allies et Enemies, which I believe was used as a recognition standard by both France and the US. .
