The 10 Most Fun Picture Books to Read Aloud

I often scour piles at the library and bookstore for books that combine great stories with great illustrations to keep everyone interested. If you want to get students interested in a book series or author that they can read RIGHT NOW, read the first chapter or first book in that series out loud to them.

Must

Available: This is a Ball by Beck and Matt Stanton is a fun interactive book that is sure to drive your children crazy! A longstanding favourite in our house. When he seeks a warm solution, he melts! Except with this book everything written on the page has to be said by the person reading it aloud.

Read

Available: Dear Zoo by Rod Campbell is a fun, interactive book exploring which animal will make the best family pet! Available: Meg and Mog by Helen Nicoll and Jan Pienkowski is the first in the classic series of books featuring the kind hearted witch, Meg, and her faithful companion cat, Mog. While any story about hard times and poverty will have its darker pages, Curtis gives us powerful and hopeful lead characters to light the way.
