Journal of Teacher Education, November 2004, 55 5 , pp.

Practical Tips for the IDEAL New Teacher Introduction in a New Class!

About the Author: Rebecca Lynn Wilke, Ed.

Plan the First Day's Session

If things get out of hand in a particular center safety issues or clean up issues , I close that center for a day, and we review the rules before using it again.

First Days of Pre

Some faculty members like icebreakers or warmup activities on the first day of class, and you can find a treasure trove of practical suggestions for such activities from the. You might like these Back to School resources: You are amazing! It is clearly written and easy to understand. Teacher Mentoring and Teacher Retention.

The First

One example of good cooperation would be if you and your students work together on developing a reward system. Chat with your students briefly when they enter the class, in order to make them and yourself feel more at ease before the lesson starts.

Plan the First Day's Session

I was slightly hesitant to accept the position based on the warnings I received about the severity of the situation. Group Learning Activity Students and GSIs often come to the first day of section with their heads still on vacation. Give students copies in print and online, and then highlight the major elements.

How to Teach a Good First Day of Class

Choose a Creative Way to Introduce Yourself to the Class To help your students get to know you, you may want to write a short biography and post it near your desk. This will help you address the specific problems you have in class, gain new teaching strategies, and ultimately grow as a teacher so that you feel both effective and satisfied in your work. In this time, give your name first and tell students what they should address you as.
