Spencer, Herbert

And general utility thrives best where individuals exercise and develop their faculties within the parameters stipulated by equal freedom. London : Williams and Norgate, 1882-1898.

Herbert Spencer (Stanford Encyclopedia of Philosophy)

The Oxford Companion to Philosophy. And this is simply another way of claiming that general utility flourishes best wherever liberal principles are seriously invoked. Spencer thought that the origin of music is to be found in impassioned oratory.

An introductions to the philosophy of Herbert Spencer (1911 edition)

The essay is a highly polemical protest, in the name of strong rights as the best antidote, against the dangers of incremental legislative reforms introducing socialism surreptitiously into Britain.

An Introduction to the Philosophy of Herbert Spencer

He proposed that society was the product of change from lower to higher forms, just as in the theory of biological evolution, the lowest forms of life are said to be evolving into higher forms.

An Introduction to the Philosophy of Herbert Spencer by William Hudson 3rd (2017, Trade Paperback) for sale online

He never married, and after 1855 was a perpetual hypochondriac who complained endlessly of pains and maladies that no physician could diagnose at that time. Men versus the State: Herbert Spencer and late Victorian Liberalism. His works were translated into German, Italian, Spanish, French, Russian, Japanese and Chinese, and into many other languages and he was offered honours and awards all over Europe and North America.

An Introduction to the Philosophy of Herbert Spencer by William Hudson 3rd (2017, Trade Paperback) for sale online

For him as for Mill, liberty and justice were equivalent. Therefore, Spencer concluded, religion and science agree in the supreme truth that the human understanding is only capable of 'relative' knowledge. We self-consciously invest our utilitarianism with stringent liberal principles in order to advance our well-being as never before.

An Introduction to the Philosophy of Herbert Spencer (Works By and About Herb...

The logic of Darwin's theory is discussed in K.
