OSMANTHUS

It is no wonder, then, that they grace such special places, and are held in such high regard. I look forward to returning to Hangzhou again next year to experience this scent again, and perhaps track down a pot of osmanthus jam.

China's Flora Tour: The Sweet city with sweet osmanthus

Agar strips and agar powder can be found at your local Asian grocery store. Osmanthus fragrans certainly lives up to this name, having exquisitely scented flowers.

An ode to China's enchanting sweet osmanthus flower

It is flavored with sweet osmanthus, produced with week Chinese liquor.

Osmanthus fragrans Lour.

When having a cup of tea, we can add two or three osmanthus into the tea cup, and then the tea liquid will suddenly have a different kind of fragrance.

OSMANTHUS

When night falls, people gather together in an empty place, and pick up broken bricks and tiles to pile up several pagodas, large and small.

Osmanthus

Flowers range from silvery white to reddish orange, but orange-yellow varieties are considered the most fragrant, with both a rich color and smell provided by the high content of carotenoids in the chemical composition. Worshipping the moon Since ancient times, there has been a tradition of worshipping the moon in Mid-Autumn Festival in China, which stems from the deification of the moon by the ancients. The city of Guilin meaning 'forest of sweet osmanthus' is named after the numerous Osmanthus trees there.

China's Flora Tour: The Sweet city with sweet osmanthus

Dreary clouds blanketed the entire sky above me and yet, even to this day, whenever I recall this memory, my mind bathes it in sunshine because of that intoxicating natural perfume that surrounded me. August in Chinese lunar calendar, commonly known as the 8th lunar month, is the blooming season of osmanthus.
